Information We Collect

1. Contact information. For example, we may collect your name and email address.
2. Other information. For example, we may collect information about the website browser you are using.

We might also track the pages you visit or the third party websites from which or to which you go from our Site.

How We Collect Information

We collect information directly from you. For example, we collect information when you submit an inquiry to us through the Site.

Use of Information Collected

We use information for our business purposes. These include:

1. To process your requests and for related purposes. For example, to respond to an inquiry you submitted to us.
2. To tell you about new services and interesting developments. For example, we might send you updates about our or our clients' sites, services, or new and interesting developments about our shop or clients. We may contact you using the contact information we have about you.
3. To operate our Sites. For example we use information we collect to analyze trends and improve site layout. We also monitor traffic patterns at our sites to personalize our site. We sometimes work with third parties to help us with our site monitoring activities. Our monitoring may include tracking your online activities, either ourselves or with the help of our vendors. To learn more about our tracking tools, please review the "Tracking Technologies We Use" section.

Tracking Technologies We Use

We or vendors we have hired use several common tracking tools. These may include browser cookies, web beacons, and similar technologies. These technologies are used for the following reasons:

- To track visitors to our websites.
- To recognize past visitors and customers.
- So we can better understand our audience, our customers, our website visitors, and their respective interests.

Information Sharing

Big Sound Music, Inc. does not share your information with anyone, for any reason, unless it is:

Any successor to all or part of our business. For example, if part of our business was sold we may sell our customer list as part of that transaction.

To government agencies or law enforcement. We may also share with others if we think we are legally obligated, or to protect ourselves. For example, we will disclose information in response to subpoenas or investigative requests.

Your Choices
