

So Far Away (May 1, ©2010)  
Words/Lyrics/Music Kathyjo Varco

(2x's)So far away so far away  
Calling on Jah children  
Unite under love today

Can a man be more than he's made of  
with a mind enslaved with the ways of this world  
Held captive so willingly  
The plan is working perfectly

And here we find ourselves in chains again  
Led by our eyes but none can see tell what time it is

(2x's)So far away so far away  
Calling on Jah children  
Unite under love today

This is not what we were put here for  
We were only to love and enjoy  
Instead we're fussing and fighting  
Oh Lord we don't stop fussing and fighting

So we find ourselves in chains again  
We pray to Jah to keep us from the spell that we're under

[chorus]

Just turn it around turn it around  
(let love)  
Let love turn this around, turn you around  
(let love let love)  
Yeah we can turn it around turn it around  
(let love)  
Let love turn you around turn you around  
(let love let love)
