A new day

Mmmm. It's a new day

Waking with the sunrise

I'm holding on by a thin line

I'm holding on while the waves keep moving

Waves keep moving in

Taking all of my time

I'm breathing in but I don't mind

I'm breathing out while the world keeps turing

World keeps burning down and down (yeah)

A new day

Mmmm. It's a new day

Come on, tell me something more

I see craving out everything you don't like

I see you carving while the world keeps spinning

And everybody's screaming, "Make it stop! Stop!"

A new day

Mmmm. It's a new day

Ooo you know you've got a long way to go don't you son

Yeah, you're talking. Are you on your way to "Go"? Are you son?

Or are you just talkin'

Like washing away all of your trouble
all of your trouble
all of your trouble
Make it a new day

It's a new day

Like coming around out of your comma
out of your comma
Now you are sober

Yeah a new day

Are you just talkin'?
Make it a new day
Or are you just squawkin'?
Make it a new day
