

Far Away @1996  
Words/Lyrics/Music Kathyjo Warden

Don't be afraid of the dark  
A new day is coming down the road you're on now  
Oh, it won't feel the same  
In a new town to make your name  
But if ever you feel lonely, If ever you feel down  
Call me up and tell me  
How have you been treated there  
Who do you talk to there while you're far away from me

Could not imagine you this old  
Packed your bags and left here on your own  
Oh, it don't feel that same with you living so far way  
But if ever you feel lonely, if ever you feel down,  
Call me up and tell me  
Have you a love affair  
What do they call you there  
While you're far away from me

Whenever you feel down  
Whenever you feel good  
Whenever you feel low  
Whenever you're in the mood  
Whenever you feel down

I will be waiting here to listen when you want someone to hear  
While you're far away
