

Holdin' it Down ©2009
Music: Cedric Satchell
Lyrics, Melody: Kathyjo Varco (Oct 30, 2009)

(Light will shine the way in times when it's difficult
Love will guide the way
True love won't let you break the bank)

Holla in the club
Sun is coming up
But nothing's slowing down
Thumping loud
Hear the crowd shouting out for more
Mr. DJ please give us more
But me and boot's 'bout to bounce
A taxi for the blocks
To get me to my crib where I'm chillin'
Tomorrow I'll be billin' cold hard cash
At my JOB
Sistah's TCB
Take care of my business baby

Head may be hazy from the buzz
Up in the morning, that's what's up
Got my bills I got to pay
Holdin' it down Holdin' it down Holdin' it
Us ladies need our little things
You fellas need something to bring
All the day and all night
I'm Holdin' it down

Brother was dead locks
Told 'em to kick rocks
Using up my feelings
Stealing
Messing up my dealings
Oh no no
He was a killer

Taking me down
Down but not out
Gonna have some fun with my lady friends
Gonna get loose with the Goose juice
At a Who's Who
Girl's gotta have some fun son
As soon as my work day is done

Head may be hazy from the buzz
Up in the morning, that's what's up
Got my bills I got to pay
Holdin' it down Holdin' it down Holdin' it
You fellas need your shiny things
You girlies need something to bring
All the day and all night
Holdin' it down Holdin' it down Holdin' it

(Light will shine the way in times when it's difficult
Love will guide the way
True love won't let you break the bank)
