

Long Ago ©1994

words/lyrcs/melody: Kathyjo Warden

Long ago and oh so far away  
I dreamed a dream  
White Light—I saw a man  
A man who'd come to take me far away  
Far from all the sorrow in my head  
Some say he's a danger danger man  
Strange it seems, he looks harmless to me  
I know he's a tender gentle man  
He never means to hurt the way I do

At night I sit and think what my life would be my love  
I sit imagining if you'll ever be my love  
So sad I know, It's just a dream

Time past the days are oh so long  
faces come and go like the seasons change  
I know he's there  
I'll wait for you my love  
I'll come to find if fairy tales come true

Don't get me wrong,  
I know that things aren't what they seem my love  
that in this game of life nothings for free my love  
So sad I know, It's just a dream

Is there any need?  
I search the sky in hopes of answering my plea  
There's a possibility that you and I will never be.

(short solo)

Long ago and oh so far away  
I dreamed a dream  
White Light—I saw a man  
A man who'd come to take me far away  
Far from all the sorrow in my head  
Now all I do is wish that man could be with me my love  
I sit, I'm wondering if you'll ever be my love  
I realized you were right in front of me.

I'll wait for you my love.
