Words/Lyrics/Music Kathyjo Warden

Man it's crazy, It's so crazy out there  
I watch the evening news. there's so much despair  
They tell of danger so I've got to beware  
They say it's brutalizing

Somebody tell who the hell is in charge?  
Nobody seems to be. It's a free for all.  
And I'm amazed that we'd take it this far  
Turn around. Now the children have the guns.

Call me an optimist  
I'm sure there's something we can do  
to make some sense of the choice that we've made to lose

If anything should happen to you  
I would fall to pieces I can not lie  
Keeping me sane through all the world iniquities  
Running 'round in circles and sure to die

Give me the simple life  
Room for us all  
Give me a simpler life  
I believe we can change the world

Give me the simple life  
Choose, for it's made for you  
Yes, a simpler life  
I believe we can start a new

Call me an optimist  
I'm sure there's something we can do  
to make some sense of the choice that we've made to lose

Give me the simple life  
Man it's crazy out there  
Tell of danger we've got to beware  
Simple Life I believe we can change the world

Yeah

Simple life  
Running in Circles  
Give me a simpler life
