I've tried so many years and never got it right  
So close, but with all these tears I lost my appetite  
'cause your talk talk talk never did do nothing but break my heart  
like it's made of something so easily repaired

Yeah you're kind had everything I liked  
Now I'm waking up removed from you now  
'cause your talk talk talk...no, it don't mean nothing  
You break my heart like it don't mean nothing

I can tell that I'm already out from under your spell  
And I will never surrender to you again  
See, I can tell 'cause I don't feel a thing when you come around  
No, I don't feel a thing nor want your stupid love

Time did take the weight of you off my mind  
Like poison in my brain, yeah you're the killing kind  
I think about you telling me all the things you thought I wanted to hear  
but i wanted to feel that it was real

[Chorus]

I finally figured out  
You mean to take it out on me for what the others did  
But I'm not who slept with him, no  
I'll always come with a gun and a trigger  
But my intent was to make you feel bigger  
Not weaker with a sport to maim and abuse

I think about you telling me all the things  
you thought I wanted to hear  
but i wanted to feel that it was real  
Not "at the moment" real

[Chorus]

Yeah I wanted you and you're stupid love  
I'm already out of your spell  
Cause your talk talk talk no it don't mean nothing  
You break my heart like it don't mean nothing
